

## How to attach cord ends - 1

Step 1. Place the end of suede in the center of the folding style cord end.

Step 2. Use chain nose pliers to fold one flap over the suede.

Step 3. Use the chain nose pliers to fold the other flap on the top of the first one.

Step 4. Use a jump ring to connect the clasps to the cord end.

Instructions for "attaching cord ends - 1", as well as other basic beading techniques are available on our web site: [www.lilysbeads.com](http://www.lilysbeads.com)
