

Rings and Charms Bracelet

Tools: Chain nose pliers

Materials:

- collection of decorative solder rings and connectors in various shapes and finishes; layout enough to fit your wrist size minus 3/4" to 1" for clasp
- 1 x clasp
- 10mm jump rings (30 - 40)
- collection of charms

Use 2 jump rings in between solder rings and/or connectors to connect them into a chain of bracelet. Connect the chain to the clasp with jump rings. Position the charms and use jump rings to hand them in place.
